Consistency, Reliability :

This component measures one's ability to maintain a sense of order, constancy and continuity in one's decisions, to reliably handle the transfer of decision to action.

Customer Service Synopsis

PRIMARY STRENGTH COMMENTS

Attitude Toward Customers: (Relating With Customers)

You have a very dynamic, optimistic attitude toward others which gives you the ability to see and understand the positive potential of others, to be concerned about and attentive to the needs and interests of others, to be open and available to others.

Freedom From Prejudice: (Relating With Customers)

You have the ability to see and understand the uniqueness and individuality of others and you are also willing to be open to the viewpoints of others. You do have strong perfectionistic ideas about what is right or wrong and these ideas can lead you to be open to others more readily if they live up to your expectations and standards.

Reading Customer Needs : (Relating With Customers)

You have very keen insight into others which gives you the ability to evaluate their potential for both good and bad, to functionally evaluate the ability of others to perform, to see opportunities for development with others which are good for you and for them, and to be aware of the needs and concerns of others.

Valuing Future Business: (Relating With Customers)

You have the ability to build a plan or strategy which not only defines the boundaries for future decisions but also fits the pieces together to help others anticipate the consequences of decisions. Utilize your talent to help your customers examine the consequences of their decisions.

Patience With Customers: (Relating With Customers)

You have the ability and the willingness to be open and available to the needs and interests of others and to see and accept the viewpoints of others. As a result, you are likely to be more patient with others when they need attention to issues which you do not agree with or which are not necessarily important to you.

Listening To Others: (Communicating With Customers)

You have the ability and willingness to listen to what others are saying, to pay attention to their own unique viewpoints, to their needs and concerns. You are likely to spend time and energy allowing others to express their viewpoints even when those viewpoints and perspectives are contrary to your own.

Customer Service Synopsis **PRIMARY STRENGTH COMMENTS**

Evaluating What Is Said: (Communicating With Customers)

You have the ability to realistically and objectively evaluate what others are saying identifying any potential problem areas, generating constructive alternatives for solutions, maintaining an openness to viewpoints even when they are contrary to your own and seeing all sides of an issue.

Developing A Good Response: (Communicating With Customers)

You have the ability to identify and understand the consequences of what and how you respond to others. Moreover, you are concerned about making certain that what you say has a positive effect and that what you say is understood by others. As a result, you are likely to be concerned about limiting the effect of impulsive responses.

Understands Attitudes: (Communicating With Customers)

You have the ability not only to see and understand the attitudes of others but you are also extremely concerned about meeting the needs and interests of others. As a result, you will likely spend time and energy making certain that you have taken into consideration other points of view and that you have maintained an openness and availability to others.

Self Confidence: (Ability To Handle Rejection)

Even though you are currently feeling uncertain and extremely frustrated in your current social\role environment, you can use this opportunity to identify new opportunities for personal development. Stop, look and listen to opportunities around you before you are ready to look for greener pastures.

Self Control: (Ability To Handle Rejection)

You have the capacity to maintain your sense of balance and equilibrium when dealing with stressful and emotional situations, to respond rationally and objectively to problem situations.

Sensitivity To Others: (Ability To Handle Rejection)

You have the ability to objectively assess not only the positive and negative potential of others but also the risk to you of becoming involved with others in personal, social and role relationships. You have the capacity to develop cautiously optimistic relationships without either becoming overly critical or too involved.

Customer Service Synopsis **PRIMARY STRENGTH COMMENTS**

Meeting Established Standards: (Job Related Attitudes)

Your strong sense of perfectionism generates attention to making certain that things are done right. As a result, you have a keen appreciation of the need for standards and norms as well as a willingness to make certain that standards and preorganized strategies and expectations are met.

Doing Things Right: (Job Related Attitudes)

You are a perfectionistic thinker who pays attention to making certain that things are done right. As a result, you are likely to spend time and energy developing respect for accepted standards and ways of getting things done.

Attention To Policies And Procedures: (Job Related Attitudes)

You have a deep sense of respect for and a need to implement organizational polices, plans and programs. Your strong sense of doing things right will help you make certain that customers are aware of their rights and privileges as well the consequences of their actions.

Attitude Toward Authority: (Job Related Attitudes)

Your strong sense of perfectionism and drive toward making certain that things are done right will build a strong sense of belief in and loyalty to authority and a willingness to work to maintain consistency and constancy in actions and decisions.

Using Common Sense: (Problem Solving Capacity)

You have a well developed ability to see and understand how to get things done in a practical, common sense way and to understand what is important and needs your immediate attention. You may not always rely on or utilize your common sense ability, making this capacity a source of potentially untapped strength.

Intuitive Insight: (Problem Solving Capacity)

You have a well developed ability for intuitive thinking which gives you the capacity for identifying a fruitful direction or potential problem areas by the strength of your inner, gut feelings and instincts about what is right or wrong.

Customer Service Synopsis **PRIMARY STRENGTH COMMENTS**

Seeing Potential Problems: (Problem Solving Capacity)

You have a good capacity for identifying what the crucial issues are in complex and confusing situations and how these issues are integrated into the overall perspective of the problem situation. You know what is important and needs attention, can see the heart of the problem and can identify alternatives for resolving the problem in an effective manner.

Flexibility, Adaptability: (Personal Work Attitudes)

You have a strong sense of personal commitment to what you believe is right. You also have the ability to redirect your energy and direction when you discover that what you are doing is not working and to see and accept your mistakes and use them as opportunities for pushing ahead.

Persistence: (Personal Work Attitudes)

Your strong commitment to your inner ideals, your personal goals and beliefs about the future and your sense of what is right provides a compulsive need to push ahead and will also act as a beacon to keep you on track in difficult and confusing situations.

Customer Service Synopsis **SECONDARY STRENGTH COMMENTS**

Talking At The Right Time: (Communicating With Customers)

You have the ability to correctly and immediately identify both what is the correct or appropriate response and when the time is right to make your point. Moreover, you have a strong commitment to what you believe is right, which will give you the confidence and assurance to say what you believe you need to say.

Sensitivity To Others: (Ability To Handle Rejection)

You have the ability to objectively assess not only the positive and negative potential of others but also the risk to you of becoming involved with others in personal, social and role relationships. You have the capacity to develop cautiously optimistic relationships without either becoming overly critical or too involved.

Meeting Schedules And Deadlines: (Job Related Attitudes)

Your strong sense of perfectionism both about what is right for you and about what is right for the world around you generates an approach to schedules and deadlines which is based on preset, preorganized plans and programs. You have a well developed capacity for turning timetables into expectations and standards for actions and decisions.

Evaluating What To Do: (Problem Solving Capacity)

You have an excellent ability for sizing up situations, for identifying problems, especially in difficult or confusing situations and for generating constructive alternatives for resolving problems. This ability is a combination of practical, common sense thinking and conceptual, analytical thinking ability.

Attention To Concrete Detail: (Problem Solving Capacity)

Your perfectionistic drive and analytical thinking ability as well as your strong concentration on doing things right will likely build a compulsion for focusing on concrete, practical situations and on the immediate translation of your expectations into decisions and actions.

Customer Service Synopsis **SECONDARY DEVELOPMENT COMMENTS**

Self Esteem: (Handling Customer Rejection)

You are currently depreciating your own inner worth, measuring yourself against ideals and expectations and blowing up your imperfections. As a result, you may have difficulty keeping control and promise more than can be delivered or more than is necessary.

Self Assessment: (Handling Customer Rejection)

You may have difficulty clearly and realistically assessing your strengths and limitations. As a result, you may bite off more than you can chew, overlook your own potential for mistakes and have difficulty maintaining consistent confidence in your ability to perform.

Sensitivity To Others (Handling Customer Rejection)

You are extremely concerned about meeting the needs and interests of prospects and clients and as a result can become overly sensitive about what others think or say. As a result you may have difficulty handling objections and dealing with difficult situations.

Customer Service Synopsis **PRIMARY DEVELOPMENT COMMENTS**

Role Satisfaction: (Personal Work Attitudes)

You are currently in social/role transition uncertain about what you want to do and feeling frustrated and dissatisfied about your current circumstances. Seek feedback either individually or in a course on self development to evaluate what you want to do, what you feel you should do, and what opportunities for action exist around you.

Health Tension Index: (Personal Work Attitudes)

You currently do not see or value your self as well as the world around you and as a result are subject to anxiety and stress effects. Seek assistance to identify development steps to reduce this stress and spend time and energy doing things you like to do, which can help to relieve the anxiety and stress symptoms.

Consistency: (Personal Work Attitudes)

A combination of a compulsive need to push ahead and a feeling of frustration and dissatisfaction about your current circumstances can lead to inconsistencies in your decisions and actions. Take the time to examine your priorities and expectations to make certain that you can realistically accomplish what you set out to do.
