PRIMARY STRENGTH COMMENTS

Attitude Toward Others: (Empathy)

You have a very dynamic, optimistic attitude toward others which gives you the ability to see and understand their positive potential, to be concerned about and attentive to their needs and interests, and to be open and available to them.

Evaluating Others: (Empathy)

You have the capacity to see and understand the positive potential of each person, to see how others can contribute and feel useful and to identify what will motivate each person. Moreover, you place the needs and interests of others high on your priority list and will make an effort to cooperate with others and to help them do their best.

Relating With Others: (Empathy)

You have the ability to develop personal relationships without losing perspective and becoming too involved. You have the capacity to see both the positive contribution and the potential for mistakes in each person. Moreover, you see and appreciate their point of view and how it fits within your goals and objectives.

Common Sense: (Practical Thinking)

You have a well developed ability to see and understand how to get things done in a practical, common sense way and to understand what is important and needs your immediate attention. You may not, however, always rely on or utilize this capacity making this ability a source of potentially untapped strength.

Evaluating What To Do: (Practical Thinking)

You have an excellent ability for sizing up situations, for identifying problems especially in difficult or confusing situations and for generating constructive alternatives for resolving problems. This ability is a combination of practical, common sense thinking and conceptual, analytical thinking ability.

Appreciation of Things: (Practical Ability)

You can see and understand the practical, pragmatic value of things, social status and image, and money. You may, however, not spend the time and energy necessary to maintain things, to preserve money or to develop status and image.

Sales Synopsis

PRIMARY STRENGTH COMMENTS

Short Range Planning: (Organizational Ability)

You tend to be idealistic and perfectionistic in your thinking, focusing on organizing and structuring things according to a preorganized plan or strategy. As a result, planning for short term results is necessary to guarantee that things will happen effectively and efficiently.

Long Range Planning: (Organizational Ability)

You have a strong combination of attentiveness to conceptual and analytical thinking and planning as well as a very well developed capacity to see and understand how to set long range objectives and plans. You are likely to build your actions around the translation of strategic issues into specific long term plans.

Concrete Organization: (Organizational Ability)

A combination of your need for things to work according to preset plans and strategies and your capacity for conceptual thinking and planning gives you the ability to develop a plan for organizing your current environment and the willingness to spend the time and energy carrying out organizational tasks.

Conceptual Organization: (Organizational Ability)

You have a very strong need for planning and organizing things according to a preorganized plan or strategy. This need combined with your capacity for conceptual and analytical thinking and planning builds the ability to see and focus your energy on conceptual organization.

Self Confidence: (Ability To Handle Rejection)

Even though you are feeling uncertain and extremely frustrated in your social/role environment. You can use this opportunity to identify new opportunities for development. Stop, look and listen to opportunities around you before you are look for greener pastures.

Persistence: (Self Starting Ability)

Your strong commitment to your inner ideals, your personal goals and beliefs about the future, and your sense of what is right provides a compulsive need to push ahead and will also act as a beacon to keep you on track in difficult and confusing situations.

Sales Synopsis

PRIMARY STRENGTH COMMENTS

Goal Directedness: (Drive)

Your self perfectionism and idealism combined with keen appreciation for structured, analytical thinking generates strong drive toward your personal goals and objectives and commitment to the goals and objectives which you adopt from organizational or other sources.

Need To Achieve: (Drive)

You tend not to give yourself enough credit, to blow up your own imperfections and to be extremely hard on yourself when you do not measure up. This tendency builds a compelling drive to achieve such that you can receive recognition and credit from others.

Self Attitude: (Drive)

You have a very dynamic, positive overall attitude which can overcome any temporary feelings of anxiety, despair or negative expectations and can generate a strong expectation that the best is possible for you. This sense of overall optimism can serve as a beacon to keep you pushing ahead and on track especially in difficult situations.

Meeting Established Standards: (Discipline For Selling)

Your strong sense of perfectionism generates attention to making certain that things are done right. As a result, you have a keen appreciation of the need for standards and norms as well as a willingness to make certain that standards and preorganized strategies and expectations are met.

Sense of Mission: (Motivators)

You have a strong, compulsive need to commit yourself to attain your personal goals such that actions and activities which give you a sense of personal mission and add meaning to your life are not only highly rewarding but are strong motivators which can propel you consistently to action.

Sense Of Belonging: (Motivators)

You have a strong need to spend time and energy in situations and with people which make you feel comfortable and which will give you a sense of worth and value. As a result, you are motivated by actions, activities and situations which will provide the personal feedback and comfort which you need.

Sales Synopsis

SECONDARY DEVELOPMENT COMMENTS

Self Esteem: (Ability To Handle Rejection)

You are currently depreciating your own inner worth, measuring yourself against ideals and expectations and blowing up your imperfections. As a result, you may have difficulty keeping control and promise more than can be delivered or more than is necessary.

Self Assessment: (Ability To Handle Rejection)

You may have difficulty clearly and realistically assessing your strengths and limitations. As a result, you may bite off more than you can chew, overlook your own potential for mistakes and have difficulty maintaining consistent confidence in your ability to perform.

Self Control: (Ability To Handle Rejection)

You do not always maintain a sense of balance in your ability to identify and respond to problems, potentially leading you to react impulsively in stressful situations. You may spend too much time and energy on unnecessary problems, talk price too soon and become too impatient in the close.

Sensitivity To Others: (Ability To Handle Rejection)

You are extremely concerned about meeting the needs and interests of prospects and clients and as a result can become overly sensitive about what others think or say. As a result you may have difficulty handling objections and dealing with difficult closing situations.

Ambition: (Drive)

You have a perfectionistic attitude toward yourself which can restrict your options for decision and action and lead you to hesitate until you believe the perfect conditions exist. As a result, you may unnecessarily delay deciding when you see buying signals.

Self Sufficiency: (Stress Index)

You are currently depreciating your own inner worth which can cause you to not give yourself enough credit, be too hard on yourself and develop feelings of frustration anxiety and despair when you do not live up to expectations. Spend time with people who make you feel good and doing things you enjoy.

Sales Synopsis
SECONDARY DEVELOPMENT COMMENTS

Despair Index: (Stress Index)

Your overall attitude tends to be somewhat cautious and skeptical leading to anxiety and frustration, especially when things do not work out as you expect. Spend time and energy evaluating your accomplishments and developing opportunities for development in your life.

Personal Development: (Motivation)

You tend to be uncertain about which course of action is best for you and about what strategies, plans, and goals will provide a sense of accomplishment and fulfillment. As a result, you are likely to delay decisions that would keep you on track, even when you believe your direction is right.

Sales Synopsis

PRIMARY DEVELOPMENT COMMENTS

Consistency: (Self Starting Ability)

A combination of a compulsive need to push ahead and a feeling of frustration and dissatisfaction about your current circumstances can lead to inconsistencies in your decisions and actions potentially leading you to shift from demanding too much to demanding too little of yourself.

Role Satisfaction: (Self Starting Ability)

You are currently in social/role transition uncertain about what you want to do and feeling frustrated and dissatisfied about your current circumstances. Your uncertainty can lead you to impulsive decisions or actions and can cause you to either over estimate or under estimate your ability to perform.

Social Recognition: (Drive)

You are in social/role transition feeling frustrated and uncertain about what you want to do. As a result of this transition, your decisions and actions can be inconsistent. You may overlook potential in your immediate environment, focusing instead on the past or on an ideal expectation.

Role Frustration: (Stress Index)

You are currently in social/role transition. You are uncertain about what type of social/role accomplishments will make you feel comfortable. You are likely to feel anxiety, frustration and despair. Seek feedback to identify the source of your anxiety and uncertainty and to identify opportunities for action.

Goal Frustration: (Stress Index)

Your strong sense of self perfectionism can lead you to feel a compulsion to push toward goals which may or may not be realistic or fulfilling. You are likely to feel anxiety, frustration and despair when your expectations are not met. Set short term goals which are based on past successes.

Health Tension Index: (Stress Index)

You currently do not see or value your self as well as the world around you and, as a result, are subject to anxiety and stress effects. Seek feedback to identify development steps which will reduce this stress and spend time and energy doing things you enjoy and with people who make you feel valuable.

Sales Synopsis
