## ***Personal Value Analysis*** **DEVELOPMENT COMMENTS** **KNOWS WHAT TO DO**

---

### **Intuitive Insight: (Knows What To Do)**

#### **Strength**

You have a well developed ability for intuitive thinking giving you the capacity for identifying a fruitful direction or a potential problem area by the strength of your inner, gut feelings and instincts about what is right or wrong.

### **Seeing The Big Picture: (Knows What To Do)**

#### **Strength**

You have the ability to see all of the pieces and angles of a picture, and at the same time, understand how all of these pieces fit together to form a total picture. You have the ability to understand how the parts of a puzzle can be fit together to form the puzzle itself.

### **Common Sense Thinking: (Knows What To Do)**

#### **Strength**

You have a well developed ability to see and understand how to get things done in a practical, common sense way and to understand what is important and needs your immediate attention. You may not, however, always rely on or utilize this capacity making this ability a source of potentially untapped strength.

### **Long Term Goal Assessment: (Knows What To Do)**

#### **Strength**

You not only have the ability to identify fruitful goals but also have the ability to see and understand the effects and consequences of goals and plans. You are extremely concerned about making certain that things work out as they should; therefore, you tend to pay attention to goal setting and long range thinking.

### **Proactive, Conceptual Thinking: (Knows What To Do)**

#### **Strength**

You have a strong need to make certain that things work out according to plans and expectations and as a result you both understand the value of proactive thinking and planning and will focus time and energy on identifying and understanding the consequences of your ideas and plans.

---

***Personal Value Analysis***  
**DEVELOPMENT COMMENTS**  
**KNOWS HOW TO DO IT**

---

**Evaluating What Needs To Be Done: (Knows How To Do It)**

**Strength**

You have an excellent ability for sizing up situations, for identifying problems especially in difficult or confusing situations and for generating constructive alternatives for resolving problems. This ability is a combination of practical, common sense thinking and conceptual, analytical thinking ability.

**Attention To Concrete Detail: (Knows How To Do it)**

**Strength**

You have the ability to see and understand what is happening in a practical, pragmatic way which builds the ability to focus on things in such a way that you are able to identify both the flaws in things as well as the positive, functional worth of things.

**Doing Things Right: (Knows How To Do It)**

**Strength**

You are a perfectionistic thinker who pays attention to making certain that things are done right. As a result, you are likely to spend time and energy developing respect for accepted standards and ways of getting things done.

**Meeting Schedules And Deadlines: (Organizational Attitudes)**

**Strength**

Your strong sense of perfectionism both about what is right for you and about what is right for the world around you generates an approach to schedules and deadlines which is based on preset, preorganized plans and programs. You have a well developed capacity for turning timetables into expectations and standards for actions and decisions.

---

***Personal Value Analysis***  
**DEVELOPMENT COMMENTS**  
**PLANNING AND ORGANIZING**

---

**Attention To Planning: (Planning and Organizing)**

**Strength**

You have a perfectionistic need to make certain that things are organized and structured according to a preorganized plan or strategy and this need combined with your attention to conceptual, analytical thinking and planning creates a positive, proactive attitude toward planning activities.

**Short Range Planning: (Planning and Organizing)**

**Strength**

You tend to be idealistic and perfectionistic in your thinking focusing, organizing and structuring things according to a preorganized plan or strategy. As a result, planning for short term results is necessary to guarantee that things will happen effectively and efficiently.

**Long Range Planning: (Planning and Organizing)**

**Development Area**

Your strong sense of perfectionism can lead you be idealistic and rigid in your thinking. As a result, you tend to set unrealistic long term goals and to stubbornly insist that they be carried out regardless of consequences. Seek advice from others to test the relevance and practicality of your thinking and planning.

**Concrete Organization: (Planning and Organizing)**

**Strength**

A combination of your need for things to work according to preset plans and strategies and your capacity for conceptual thinking and planning gives you the ability to develop a plan for organizing your current environment and the willingness to spend the time and energy carrying out organizational tasks.

**Conceptual Organization: (Planning and Organizing)**

**Strength**

You have a very strong need for planning and organizing things according to a preorganized plan or strategy and this need combined with your capacity for conceptual and analytical thinking and planning builds both the ability to see and focus your energy on conceptual organization.

---

***Personal Value Analysis***  
**DEVELOPMENT COMMENTS**  
**GETS THINGS DONE**

---

**Goal Directedness: (Gets Things Done)**

**Strength**

Your self perfectionism and idealism combined with keen appreciation for structured, analytical thinking generates strong drive toward your personal goals and objectives and commitment to the goals and objectives which you adopt from organizational or other sources.

**Results Oriented: (Gets Things Done)**

**Strength**

You have the ability to see and understand the need for creating practical, pragmatic results and this understanding combined with your practical problem solving ability creates a potential for drive; You are however, somewhat cautious in your practical thinking which will likely lead you to delay decisions until you are certain that you are right.

**Self Confidence: (Gets Things Done)**

**Development Area**

You are in social/role frustration with an unclear sense of social/role image. You will likely underestimate the possibilities for achievement which your current situation offers and feel frustration and dissatisfaction, leading to inconsistencies in your decisions and actions.

**Self Attitude: (Gets Things Done)**

**Strength**

You have a very dynamic, positive overall attitude which can overcome any temporary feelings of anxiety, despair or negative expectations and can generate a strong expectation that the best is possible for you. This sense of overall optimism can serve as a beacon to keep you pushing ahead and on track especially in difficult situations.

---

***Personal Value Analysis***  
**DEVELOPMENT COMMENTS**  
**GETS THINGS DONE**

---

**Persistence: (Gets Things Done)**

**Strength**

Your strong commitment to your inner ideals, your personal goals and beliefs about the future and your sense of what is right provides a compulsive need to push ahead and will also act as a beacon to keep you on track in difficult and confusing situations.

**Consistency: (Gets Things Done)**

**Development Area**

A combination of a compulsive need to push ahead and a feeling of frustration and dissatisfaction about your current circumstances can lead to inconsistencies in your decisions and actions. Take the time to examine your priorities and expectations to make certain that you can realistically accomplish what you set out to do.

---

***Personal Value Analysis***  
**DEVELOPMENT COMMENTS**  
**WORKS THROUGH OTHERS**

---

**Insight Into Others: (Works Through Others)**

**Strength**

You have very keen insight into others which gives you the ability to evaluate their potential for both good and bad, to functionally evaluate the ability of others to perform, to see opportunities for development with others which are good for you and for them, and to be aware of the needs and concerns of others.

**Attitude Toward Others: (Works Through Others)**

**Strength**

You have a very dynamic, optimistic attitude toward others which gives you the ability to see and understand the positive potential of others, to be concerned about and attentive to the needs and interests of others, to be open and available to others.

**Relating With Others: (Works Through Others)**

**Strength**

You have the ability to develop personal relationships without losing perspective and becoming too involved. You have the capacity to see both the positive contribution and the potential for mistakes in each person. Moreover, you see and appreciate their point of view and how it fits within your goals and objectives.

**Listening To Others: (Works Through Others)**

**Strength**

You have the ability and willingness to listen to what others are saying paying attention to their own unique viewpoints, to their needs and concerns. You are likely to spend time and energy allowing others to express their viewpoints even when those viewpoints and perspectives are contrary to your own.

**Talking At The Right Time: (Works Through Others)**

**Development Area**

You have the ability to correctly and immediately identify both what is the correct or appropriate response and when the time is right to make your point. Moreover, you have a strong commitment to what you believe is right which will give you the confidence and assurance to say what you believe you need to say.
